

# Certificate of Approval

This is to certify that the Management System of:

## The Boro' Foundry Ltd

Stourvale Road, Lye, Stourbridge, DY9 8PR, United Kingdom

has been approved by Lloyd's Register to the following standards:

### ISO 9001:2015

Approval number(s): ISO 9001 – 00002989

#### The scope of this approval is applicable to:

Manufacture and reverse engineering of castings using a variety of ferrous materials, including high quality S.G. grey iron, Ni-hard, Ni-resist, carbon and stainless steel, in accordance with customers' specifications and Nationally/Internationally recognised standards.

Machining of castings, forgings and fabrications up to 20 tonnes, using vertical and horizontal CNC borers, CNC Gantry/Elga mills and centre lathes up to 8 metres between centres.
